about us

In an industry where some sellers focus on innovation, the other few choose to concentrate on variety, Commander has adopted a holistic strategy of encompassing all the attributes of the product. Commander epitomizes consumer-first approach with an enduring combination of innovation, unique variety and quality.

Since its inception in 2011, Commander tiles, based at Morbi in Gujarat, is one of the pioneer and dominant manufacturers cum exporters of premium glazed vitrified tiles. Commander has state-of-the-art manufacturing facility with latest technology machinery imported from Italy, Spain and China. At Commander, we believe in providing superior quality and services, further strengthening our relationship with consumers.

In tandem with an increasing demand of vitrified tiles, we have an installed capacity of 55,000 sq.m./day of GVT, PGVT, WALL TILES and Double Charge tiles spread across a humongous 65 acres land. We have collaborated with the largest Italian conglomerate, Sacmi for its press technology and installed System digital printing machine, which helps us yield innovative tiles with stunning designs and excellent quality. We constantly emphasize on new product development catering the dynamic and unique taste of our consumers.

The structure, technology and the entire setup at Commander is in sync with the contemporary times. Innovation, progress, commitment and perfection are the four fundamental pillars of the company. Core values of the Commander team is a combination of intelligence, skills, knowledge and dedication. The people working at Commander love to invent and reinvent while exploring new concepts with the help of our state-of-the-art technology and a positive attitude.

The unmatched technical brilliance of our manufacturing units and genuine efforts of the man power has led us to the path of growth and progress. Marching ahead on the bright path of achievement we are bringing a new thought process for the best results. Ideas for the future!

An exceptional collection

The 600x600mm tiles give a charming look to a space with their compact size and seamless appeal. They offer infinite design possibilities with their incredible and attractive style.

PACKING DETAIL

Product	Size	Pcs. / Box	Area / Box
	600x600mm	4	1.44 sq. mtr.

Note: Colour Shown are as accurate as the limitations of the printing process will allow. Prospective customers are advised to inspect a sample of the tile before ordering. Every effort has been made to ensure the accuracy of the information given. However, the company reserve the right to change the specifications without prior notice. Sometime variations in shade or size being inherent to ceramic industry may occur. Before fixing, we advise you to follow the fixing instructions on the cartons of the tiles as no responsibility can be accepted by the company once the tiles have been fixed.

DESIGN, PATTERN & SHADE VARIATION GUIDE

Current development efforts have made Ceramic tiles to resemble and look authentically identical to natural materials (Stone, Wood, Fabric), and it has become increasingly difficult in many cases, to distinguish between the two.

Recognising this situation, it is necessary to be informed on the grade of Design & Pattern variation that is expected from these products. as a general reference the Design & Pattern guide below classifies a scale of ranges according to the degree of the variation.

V1 Uniform Appearance

V2 Slight Variation

V3 Moderate Variation

V4 Substantial Variation

The Classification Is As Follow:

V1 Minimal Variation

V3 Random Variation

V2 Slight Variation

V4 Substantial Variation

High Definition Image

While Laying the tiles please follow the arrow Mark on the back of the tiles For removing the wax from the surface of the tiles please use the soft cotton cloth for rubbing white any boric/talc powder
